None of the Councillors have made a list yet of the PE equipment that their classes would like for outside use. We will all do it for the next meeting.

Mr Heard has got all the balls down from the hall roof. Oscar and Thomas will thank him for doing this.

Huff and Puff did happen this week. Caitlin and Ollie will go and say thank you to Mrs Butterworth.

Caitlin and Izzy have asked the cooks about whether or not it would be possible for the children to help themselves to butter as sometimes there is a lot of it on the toast, more than some people like. They reported that the cooks will try this next week, but that if it gets too messy that they will go back to putting it on for us. Caitlin and Izzy have gone round all the junior classes to tell the children about this and ask them to be careful when helping themselves to butter. Thank you Izzy and Caitlin.

Sam and Daisy have asked Mr Wilde if we can organise a fund raising event for Oliver's little brother. Mr Wilde has agreed to this so we then thought of things we could do. Our ideas were

- ◇ sweet sale
- ◇ pancake sale
- ◇ spring fair
- ◇ fun run
- ◇ disco
- ◇ raffle
- ◇ cake sale

We decided that we would all have a think about these suggestions ready for the next meeting.

Date of next meeting: Friday 14th March
