Induction to school

Aims

- every child to be happy at school.
- every child to be confident to leave their parents/carers

How do we achieve this?

- Happy environment in which children settle with familiar adults
- Introductory meetings with school adults
- Part time entry. Shorter 'bursts' of time at school so that children become familiar with the new environment, routines and with adults

2 Play and Stay sessions

- Informal sessions for your child to explore the classroom areas and meet staff with 1 parent
- 1 hour each
- Your child will be given two opportunities to visit (allowing for a different adult to attend)
- Monday 7th September-Friday 11th September
- Your time will be posted to your home address
- Staff available to answer questions

Nursery Transition

- Staff liaise with local nursery settings where possible.
- A chance to have discussions with your child's key workers to pass on information.
- Nurseries have been asked to communicate their end of year assessments and pass on transition information.
- If you have not already done so please let us know which nursery your child attends.

Part Time Start

Why part-time when my child has previously attended pre-school full-time?

.....because there is so much more for children to take on board!

- Many children will have been unable to attend their pre-school setting for many weeks due to the Covid-19 pandemic
- A new environment
- Lots of other children
- New and fewer adults
- New routines

All of these factors often lead to very tired children!

September Timetable

- Play and Stay sessions Monday 7th-Friday 11th September (allocated in advance)
- Monday 14th –Friday 18th September a half day session each day (allocated in advance)
- Monday 21st – Friday 25th, children may attend full time 8.55-3.20 with the option of collecting your child after lunch at 1.15, this must be communicated to staff in the morning via their message book given to you.
- Monday 28th September all children full time 8.55-3.20
- Children may have a mix of hot dinners (these are currently free for children in EYFS Year 1 and Year 2) and packed lunches should you wish.

Lunches

- Can cater for vegetarians, vegans, allergies, dairy intolerance etc.
- There are 2 hot lunch options per day, plus sandwich option and jacket potato option (a menu is available online, Warwickshire County Caterers).
- Nut products (including products with a high nut content e.g. peanut butter, Nutella) should not be present in packed lunches as we are a Nut Free School.

Milk

- Provided by 'CoolMilk'
- Free for children **under 5**
- The school will register ALL children – please let us know if you would like to opt out of the milk scheme by Wednesday 8th July.
- When your child turns 5 you can choose to pay for milk – this is done directly with 'CoolMilk'.
- We recommend that you register with Cool Milk upon receiving the registration form, so that they can contact you before your child turns five.

EYFS On Entry Baseline Assessment

What is the Reception Baseline Assessment?

The Reception Baseline Assessment (RBA) is a short and simple check of a child's early literacy, communication, language and maths skills when they begin primary school. The assessment will be age-appropriate and there will be no need for children to prepare for it, either at home or in school. All new primary school pupils will take the RBA from September 2020. The assessments will eventually replace key stage 1 SATs, which are intended to be discontinued from the 2022/23 academic year.

- During a 20-minute one-to-one session with their teacher or teaching assistant, your child will do a number of practical and interactive tasks.
- Your child can answer questions verbally or by pointing or moving objects. The assessment has been designed to be inclusive and there are modified materials available – this means it is also accessible to children with SEND or English as a second language. The teacher may pause and restart the check if they feel a child is distracted.
- The DFE will publish these measures for all-through primaries in the summer of 2027 for the first time. This will be when those pupils who entered Reception (EYFS) in Autumn 2020 reach the end of KS2.
