Dear Parents,

Playground Planters

A big thank you to Katie Carter, Katharina Dehnen-Schmutz and Nisrine Abey who cleared the planters at the beginning of spring.

They are now beginning to blossom again and the ladies have a plan of adding new plants to make them even more beautiful for us all to enjoy. Thank you!

National Tests

Children in Years 2 and 6 will begin the process of taking the national tests next week. Children in Year 6 are really looking forward to their special breakfasts next week and feel well prepared to do their best. Children in Year 2 will complete tests in small groups in short sessions not in strict exam conditions. We aim to make this statutory process happen with as little impact on their continued learning journey. We are already proud of the efforts they have made preparing for next week!

Trainee Teachers

Every year schools host trainee teachers who develop their teaching skills on the job, working alongside experienced teachers in a supportive way. We are lucky to be hosting two teachers in their final placement with us, Ben Seath and Parvendee Sangha, I know the wonderful Milverton parent body will make them feel most welcome!

Coffee Mornings

We are considering hosting a series of coffee mornings at school for parents of children with additional needs. It has come to light recently through some conversations with parents that it can be hard to know where to access support as the parent and often this can seem quite formal. The aim would be to facilitate a number of informal coffee mornings, at school initially, where you can come and chat to other parents, who may have some experience of the challenges involved in being a parent of a child with additional needs.

For this to work we would need to know if enough parents would find this useful, so please can you let me know if this is something that you feel you would be interested in attending. Either email me or pop into the office and let the ladies know.

Celebrating Milverton Music!

We look forward to our drummers performing in assembly on June the 7th, a special show being organised for the children to enjoy.

We are also looking forward to the Milverton Musical Moment that will be taking place this term. Mr Iles is busily preparing and organising.

Sports News

During our lunchtime break a number of our older children run the LAFF (Lunchtime Activity Fitness and Fun) club. This is a club where children lead sports activities for other children to enjoy. Many people have visited the school and have really enjoyed seeing our young leaders providing a fun sporting opportunity for others to enjoy. Children also give out certificates to children showing excellent sporting skills and a great sporting attitude.

Well done to all the LAFF club members!

Thank you to the FOMPS ladies for coming in yesterday to make posters with the children for "grow a pound!" Thanks Mrs Beckingsale, Mrs Hayton and Mrs Barnes-Burrell.

'Grow a Pound', win a prize!

Attention all budding Milverton entrepreneurs... The Fomps have contacted ehB Residential who have kindly offered to provide each child with a loan of £1. This coming May, you will be given an opportunity to invest this money creatively and to grow it.

How?

Work as an individual, in a team by pooling your money together, and think of a great idea. You could buy ingredients to bake and sell cakes, buy a sponge and organise a car wash, run a cinema night, try a sponsored jog, swim or silence, plant some seeds and sell plants...the list is endless! Now is your chance to make a difference as all of your profits will go towards new ipads for the school. Prizes can be won, so whether you are in Reception - Year 6, start planning! Event scheduled for 22 May – 19th June 2017.
