Summer Festival Needs You!

Saturday 8th July

We are setting a challenge for the parents from each class to come up with the most entertaining activity stall for the Summer festival on the 8th of July. The best stall could earn your child's class an extra half hour of playtime the following week. The festival is being organised by the FOMPS team, preparations are underway with music, food and great activities for a fun filled afternoon 2-6pm. Please contact the FOMPS team to lend a hand to make it another amazing event!

Farm Visit

On Tuesday our reception classes enjoyed a visit to Umberslade Farm Park. The wet and windy conditions added to the excitement of the day. The children were enthusiastic and asked brilliant questions. A really fun day out learning about animals and farms. We even got to feed some lambs!

Grow a pound ideas

So many children are trying to start up entrepreneurial ideas for the grow a pound scheme, this is great to see. All after school stalls etc, will be held on a Friday in the playground. We also ask that parents assist their children with their ideas as we would like to ensure all transactions are fair. Thank you for your continued support with this.

Healthy Eating Week

As part of our healthy eating Food Week next week, Aly in the kitchen will be cooking rhubarb crumble for dessert on Wednesday with rhubarb harvested from our school allotment. This is an annual event and a great chance for children to sample a new fruit.

The week is starting with an exciting food game show in Monday's assembly paid for with your kind donations! Thank you!

Safeguarding Corner

Ensuring your child eats their breakfast every morning is the best start to their day.

Giving them energy and stamina for concentration throughout their morning is really helpful.

Milverton Music

This week we were treated to a fantastic drumming display in our Wednesday assembly. All the children who are learning drumming skills from across the school were involved in the performance. Children were bopping along to the beats produced and all performers were given the opportunity to be on stage performing in front of their peers. A fabulous performance, well organised and run by our great drum teacher, Mr Spall. It is just a shame I don't have a photo! Thank you and well done to all the performers!

Meet the Governors Hannah Stephenson

I am a recently elected parent governor at Milverton School, joining the governing body in February 2017. I have been involved with the school for about 10 years as my eldest daughter, Eleanor, was a former pupil. I have two sons currently in the school – Sammy in Year 6 and Freddie in Year 2.

Having joined the Premises Committee, I am working with the team to ensure the whole school environment remains a safe and enjoyable place for children to learn and grow; continuing to build on the great work that has already taken place.

I look forward to supporting the children's learning journey and working alongside teachers to offer guidance from my own experience as a school teacher. Outside the busy roles of a mum and a teacher, I also manage several properties – skills which I hope will benefit being on the premises committee. Taking on a parent governor role gives me a very different perspective to life in a primary school and I'm looking forward to being a part of it.

FOMPS ACTIVITY ON THE HORIZON....

There are several things being planned by many different people, some of which are further developed than others, so here is a taster so you know what to expect to hear more about over the coming weeks:

- Grow a pound - beginning in May
- The Milverton Ball Friday 9th June 2017
- Summer Festival Saturday 8th July
- Break the rules day Friday 14th July
- Sponsored FOMP YOMP Aut Date TBC

FOMPS Need you!

FOMPS need some helpers to organise the Summer Leavers Disco. The date will be Thursday 20th July and the time commitment will be to work with school to organise the event. The disco will run between 4.00pm and 6.30. It will be for all children in the school to attend at different times. School staff will also be at the event.

£45

'Grow a Pound', win a prize!

On Monday children will receive their £1 (kindly donated by ehB residential) after the FOMPS introduced the scheme in assembly. Children should be thinking about how they can grow their £1 to earn some money for the school to help us buy our new ipads!

Some early ideas are to;

- Buy a sponge and wash cars
- Buy some seeds and grow plants to sell
- Buy some paints to make some pictures to sell

After half term we will have an after school market stall event where children can try and sell their produce.

Have you thought of a great idea? Prizes are available for the most creative and most effective ideas across the school. Good luck!
