And the Winner is...

Two of our children have received a fantastic award after winning overall winner of the Safer Internet Day Online Safety Competition 2019.

The Judges said: 'It's great to see the children using examples of good and bad online safety practice. I really liked the Right and Wrong comic strips running side by side. The online safety messages were very clear. I liked the idea of splitting your comic strip into good and bad - well thought out and clear message. I loved your design and originality, and how you compared the two situations. The presentation was superb too.'

Well done to Serene and Olivia whose prize is £100 for the school!

Year 3 & 4 Production

The sacred chickens - A tale of Roman Betrayal

The year 3 and year 4 performance dates will be on Tuesday June 11th (2pm) and Thursday June 13th (6pm). The children are working towards this performance now and we look forward to this great experience.

Poetree Re-order

Some families made a request for the poetree book order shop to be re-opened to order more copies. To allow this to happen we must have 30 orders minimum. Please contact the school office on admin2606@welearn365.com to place an order with Mrs Belmega. Please contact the office with your order before Wednesday 10th April.

Leather Footballs

I am asking again that children do not bring leather footballs into school for before school, playtime and lunchtime games. We ask children to play with soft foam balls as our playground has many users and a hard football in the face is not a pleasant experience. We use leather footballs at the school field and soft foam balls on the playground, please have a discussion with your child about this. Thank you for your continued support.

Can you Help?

The FOMPS team voted to purchase a piece of climbing equipment that will cost £9200. The FOMPS currently have £7200 towards this item. We are trying to fund the £2000 difference through kind donations from families to close this scheme.

Can you donate an amount on parent pay ?

Sporting Superstars

On Wednesday a group of our year 3 and 4 pupils attended Aylesford School for a 'Personal Challenge' athletics afternoon. The children were given eight activities including ball throws, agility runs, speed bounce and balancing in which they had to beat their personal best. There were four other schools enjoying the afternoon, all trying to better their own targets. The level of achievement was high and the event proved a great success with everyone feeling a great sense of achievement at the end of the day.

Well done to all 30 children who participated.

- Thank you to everyone who came along and purchased a plant pot for their loved ones. It was a fun event. We raised a total of £255. Some photos of the event.
- A total of £38 was also raised from teas and coffees at the Spring Music Evening. Thank you to all who attended this event.

To help with the communication between the teachers, parents and FOMPS we feel we need to have a 'point of contact'. This will help co-ordinate all activities and events we have planned.

If you are interested in being a Class Rep please email us on fomps@outlook.com or grab one of us in the playground. Ideally 2 per class would be helpful.

We are raising funds for:

Playground Equipment Phase 3
Key Stage 1 Climbing Equipment
For Summer 2020

Playground Equipment

As stated in our newsletter on 15th March, the balance of £7,200 from previous years fundraising has been allocated to a new climbing apparatus as part of the playground development programme. This climbing area will be sited in the bottom corner of the junior playground.

At the FOMPS meeting on 18th March, it was agreed by vote to raise an additional £2,000 to achieve a larger climbing apparatus and more durable, maintenance-free rubberised safety flooring. Whilst these additional funds are able to be raised at the various FOMPS events this year, we have also set up a donation facility. **This is via Parent Pay for anyone preferring to give in this way. It is available now.**

We are hoping that having this additional channel for donations will allow us to raise our £2000 target quicker. Our objective is to have the new playground climbing site usable during the summer term. We appreciate your continued support.
