Christmas Jumper Day

Wednesday 20th Dec

On Wednesday 20th December we will be holding a Christmas Jumper Day to raise money for Save the Children.

All over the country, thousands of people will be donning their dafdest, most wonderful woollies – all for a great cause. To join in, all you have to do is wear a Christmas jumper (no need to buy a new one; why not decorate an old jumper with tinsel instead?)

Everyone who joins in and gives £1 to take part on 20th December will be making the world better with a sweater. Mr. Fisher will be making the world better with a sweater by wearing a Christmas jumper created by YOU! On the morning of Wednesday the 20th December he will be on the playground wearing a very plain and un-Christmassy jumper. You are invited to bring in a decoration or item to pin on to his jumper for the bargain donation of 50p! Please bring a safety pin attached to the decoration to make sure it will stay on!

Parking on Rugby Road

We have had a number of reports of parents parking illegally on Rugby Road. This causes unnecessary risk to all the children and families of our school.

Please do not do this.

I will be out taking photo's of vehicles in the new year to pass onto the police.

Free parents course: keeping your family safe online

If you would be interested in attending an evening workshop in February, titled 'Preventing Online Grooming: Keeping Your Family Safe Online', run by Warwickshire County Council, please contact Mr Geddes at Geddes.a@welearn365.com to register your interest. This will allow us to consider numbers and see whether it will be possible to hold a workshop at Milverton. Thank you!

Updates on Mrs Nicol

Mrs Nicol has finally been able to return home from hospital. After days of testing and discussions the doctors have concluded she has suffered with a non contractible viral meningitis. We are glad that she is going to be home for Christmas but send our positive thoughts and prayers that she is able to recover quickly.

Mrs Brand will continue in RNS while Mrs Nicol is absent and please direct any SEND queries to me.

Parent Governor Elections - have your say!

We are very lucky that two committed and talented Milverton parents have put themselves forward for the parent governor vacancy on the governing board. Please read what they each have to say about what they can bring to the governors, then give one of them your vote. You will be receiving a voting form from school, which also includes the candidates' words about themselves: please do use it, and return the slip to school by 3.30 pm on Wednesday 20 December.

Kind Regards,

Catherine Robbins
Chair of Governing Body

I have two children at Milverton, William in year 4 and Leo in year 1. I'm very proud of the way in which they are both thriving at the school and have always found it to be a friendly and welcoming place.

I've enjoyed being a part of the parent community over the years, having helped to organise the Grow a Pound fundraiser and the cleaning teams over the summer.

Professionally, I've always worked in engagement roles, both for the local authority (Children's Services) and not-for-profit sector. I'm a passionate believer in engagement and believe that much can be achieved for little or no money when you harness the power of a community.

I'm a strong advocate for children with special needs and am interested in supporting the school to develop creative ways to further enhance the current SEN provision. I'm also passionate about improving the mental health of pupils, such as those with anxiety or low self-confidence.

I have a keen interest in literacy and creative writing. I feel strongly that children should be supported to get excited about reading and that all children are natural storytellers. I believe that reading is for everyone - fiction or non-fiction - it should be seen as a pleasure, not a chore.

Liz Kay

Hi, I'm a mum of 3 children, all of whom have been or are currently at Milverton (Jasmine in year 6 and Isabella in year 3). William is now in year 8 at secondary school. I have seen them all flourish in the stimulating and dynamic environment Milverton provides. The Milverton community has been a large part of my life for the past 8 years and I really enjoy helping out in class, going on school trips and attending the FOMPS and parent forum meetings.

I have had an exciting and challenging career working for the NHS as a Genetic Counsellor at various Clinical Genetics Services around the country over the past 20 years, most recently at Birmingham Women's hospital. My role involved working with families and health professionals to help and support people at risk of inheriting genetic conditions. My career in the NHS has given me a good understanding of both the advantages and demands of working in the public sector. I would say I am an enthusiastic, driven and conscientious person with good communication skills. I hope I would be able to use this experience to help the governing team and the school.

I am currently on a career break, having finished working earlier this year. I am relishing the extra time I now have to spend with my children, as well as pursuing my interests including art and textiles lessons, netball and squash. I therefore feel refreshed with more energy to give to a role like this. I would value the opportunity to help Milverton continue to develop its high standards of education.
