## The I pads have landed!

We are really happy to say our class set of i Pads, purchased through the kind parental donations, are now up and running in school. The girls are showing how the devices are safely stored and easily transportable around the school for a whole class to enjoy. We look forward to these being used to all areas of the school curriculum and

by all members of the school. Thank you to Andrew Millward-Boyton who helped secure a sizeable discount for us when we purchased the devices. And thank you to all who donated so generously last year!

## Cross Country Super Stars

The final Cross Country League final race took place on Saturday at Priory Park, Warwick. It was a chilly and hilly one but everyone gave it their very best! Very well done to Sophie Cooper who finished in 8th position and Dan Wilks who was 6th.

Overall, the girls and the boys' teams came 4th out of all of the schools competing. Dan Wilks was also awarded a medal for being the second boy overall. Well done to all of the children who took part in the league.

## Safeguarding Corner

Please be aware of your children's use of smart devices that connect to social media and communication networks. Sadly, no matter how much information we provide to our children and safe practice guidance we supply, some children are still not responsible enough to use these devices safely. As a parent you should make it your business to discuss their use of the internet, seek timely checks on what they are doing and who they are communicating with. The dangers and pitfalls our children face are very real and sadly, statistics tell us that in a school of our size, some of our children will find difficulties with their communication behaviours at some point in their young lives. Please be vigilant and please support us in our efforts to keep them safe.

## Get Well Soon!

We are sad to say that one of our wonderful and valued members of staff, Mrs Nicol, has fallen ill and is currently in hospital. Our thoughts and prayers are with her and her family wishing her a swift recovery. She will not be back in school before the Christmas break .

Mrs Brand will be filling in for her classroom teaching role and any concerns regarding the SEND support Mrs Nicol offers please direct to Me via email. Please forward any recent emails you may have sent to [head2606@welearn365.com](mailto:head2606@welearn365.com). We have made best effort to retrieve all current casework but we obviously cannot contact Mrs Nicol to check any of this information. Thank you for your support.

## Star Reporter

Well done to Alex in Year 4, who has had his first article published in FUSE Magazine. He has reported about one of his favourite subjects, Science. The article explains about some of the properties and uses of Gold and Tin. Well done Alex you have made us all proud!

## Reading

Would you like to make a difference to the children at Milverton?

Could you spare an afternoon a week to hear children read?

If the answer is yes, Mrs Belmega will be leading a workshop on Wednesday 17<sup>th</sup> January at 9am in the library.

All parent volunteers (existing and new) are welcome to attend.

Please email Mrs Belmega if you would like to book a place: [wood.d2@welearn365.com](mailto:wood.d2@welearn365.com)
