If pupils have lessons outside of school and have recently taken an exam or have prepared a piece, please email the details to me [Allison.B2@welearn365.com] so that all the fabulous talent that we have at Milverton can be part of this exciting event.

Milverton's Got Talent!

On Monday, a group of very talented individuals dazzled staff and pupils during the first ever Milverton's Got Talent competition. Having previously competed in a round of challenging auditions, finalists wowed the judging panel with a variety of musical and artistic talents and even some amazing mental maths skills.

In the end, Amelie T from 1W was crowned as a worthy champion, with her magical dancing powers bringing a smile to the faces of all those present.

Well done to all finalists: Amelie, Reuben, James, Claudia, Toby V, Daisy, Polly, Meredith, Esther, Lola, Chloe, Lydia, Milla, Saachi, Onika and Stormz (Charlotte, Joe, Limoni, Scarlett and Arthur)

A big thank you also to the MGT judges: Evie Walsh, Pixie Diba, Izzy Cowell and Alesha Johal and presenter Poppy for organising the event and especially for getting Mr Fisher up on the stage dancing!

Congratulations Mrs Jeremiah and Mrs Worwood

On Wednesday, the children performed in a special assembly to celebrate the fact that Mrs Jeremiah and Miss Worwood have both been valued members of the Milverton community for a whopping 25 years!

Thank you to both for your unwavering commitment, hard work and dedication to Milverton - you have made a huge difference to so many children across the years and we know you will continue to do so for the next 25(!)

Pancake Races

Shrove Tuesday saw us running our annual pancake races! The weather tried to put us off, but we were able to enjoy the activity with most of the children in the afternoon in the dinning hall! Lots of flipping and racing meant a great time for all!

Calling all musicians!

REGENCY 10K RUN 2017 – SUNDAY 15th APRIL 2018

If anyone could spare some of their time on the morning of Sunday 15th April to marshal then please let us know. Marshalling is usually good fun - and is a great fundraiser!

Learning Review Meetings

Our Parent learning review meetings will be taking place on

Tuesday 27th Feb 4.00-6.30 & Thursday 1st of March 4.30-7.30

These appointments can be booked using our online system available through the school website.

The appointment slots went live on Friday 9th February at 6pm. They will close on 25th February at 6pm.

RNS will be on Wednesday 28th and Thursday 1st March

We have listened to the last parent survey and will therefore be trialing a report card for your child. This mid-year snapshot will measure your child's current attainment, against their end of year expectation. It will indicate whether they are 'working towards', 'good' (on track to be at the expected level at the end of the year) or 'above' in reading, writing and maths. The teaching staff at our school have an excellent understanding of where all the children are and what is needed for them to achieve their full potential. There will also therefore be a target shared with you in order to support your child to progress further.

Please do not assume that children who are 'working towards' are not making progress, trying hard or have a special educational need. Children progress at different rates and all are moving forwards; it may not be the case that they are exactly where the government say they should be at this point, which has shifted dramatically in recent years.

We also want to acknowledge your child's achievements in other subjects and 'super learning skills' in this report card.

We know we can work together to help them to achieve their potential.

Congratulations to our 'Star Learners' this week

Football Superstars!

We took two teams of football super stars to Lillington primary for a football league game yesterday. Both teams performed really well, making us all proud with their grit and determination. Our first team played hard, but found it tough going against a difficult defence. Milverton players creating many good chances through flying attacks from Sam, Dan and Matty working well together. The Milverton team hit the post and forced some excellent saves from the opposition goal keeper. Unfortunately, Milverton were unable to break through and conceded one goal from a corner and a lucky effort in the second half. Meaning they lost 2-0. The second team played an exciting game with end to end, fast and furious football. At half time Milverton were 1-0 down but showing great enthusiasm to come back. The second half was as energetic as the first and Milverton were able to claw back an equaliser and then a fantastic effort by the players allowed Henry to score a hat trick, being in the right place at the right time, again and again. Brilliant work by Charlie C with some driving runs and super passing, supported well by his teammates with Franky, Jab and Jimmy showing excellent commitment and enthusiasm helped the Milverton team to end up winning 4-1. Well done to all the players as we learn from our mistakes and celebrate our successes.

First Team; Dan, Matty, Sam, Isaac, Archie, Doug, Freddy V, Jesse, Mack and Harry.

Second Team; Jimmy, Henry, Charlie C, Jab, Elliot, Finn, Sihan, Arthur, Franky and Poppy

Good news from the governors!

We have two pieces of good news this week

Firstly, Liz Kay is our new parent governor. Many of you voted for Liz when she stood in the parent governor election, which took place just before Christmas, when Carol Barnes was elected. This half term, no other parents put themselves forward for election, so Liz becomes our newest parent governor. We are sure she will bring a close knowledge of the school and some fresh ideas to the governing body, and we look forward to working with her.

Secondly, this time last year, Milverton's financial position, like that of many other schools in the country, was looking rather precarious. We are pleased to say that this is no longer the case! This is partly owing to careful financial planning by the Senior Leadership Team and governors, partly because the school is completely full, and much school funding comes with pupil numbers, but even more because of the new National Funding Formula, which has meant that most Warwickshire schools are now being given more money by central government. The Local Authority is passing all this extra money directly to schools.

Milverton will continue to plan carefully, and monitor all spending very closely, but this means that, rather than be forced to consider significant cuts, the SLT and governors can continue with their aim of making an already great school even more fantastic!

We hope you have a very enjoyable half term break.

Chair of Governors

Class Reps

We are really pleased to say we have a class rep for every class except 5/6 JB, so if there are any parents in that class who would be able to be the class rep this will enable us to try and improve communication together. Fiona is going to set up a meeting for all class reps next half term to explain her ideas.
