Mon 8th Apr	Shakespeare Day
<b>Fri 12th April</b>	<b>Term Ends</b>
<b>Frid 21st June</b>	<b>Infant Sports Day</b>
<b>Mon 24th June</b>	<b>Junior Sports Day</b>

## Class Assembly

A big thank you to Cherry class who gave a delightful class assembly this week. We were treated to information about the world around us, the continents of the world, the discoveries of Christopher Columbus and animals of the world. Well done to the team a real treat for a Friday morning!

## Year R Parent lunch

We will be holding our parent lunches for reception on Friday 29th March and Friday 5th April. This is an annual event for every year group to come and share a lunch with your child, details are sent out with menus before the event. An adult meal is £3 paid in cash with the correct change please. This is always a lovely occasion that the children really enjoy.

As we anticipate many parents attending this we will be asking Hazel parents to come on Friday 29th March and Willow parents to come on Friday 5th April. Please return the form to the school office. I hope to see you there!

## Parent Maths Meetings

Next week will see families invited to our parent maths meetings. These are an opportunity for families to come in and see how the children are taught to complete calculations at school. You will see some examples of work completed in their year group and the opportunity to answer questions you may have. The main purpose of these sessions is to help parents engage with children when they complete maths problems at home.

Year 3/4 Parent Maths Meeting Wednesday 6th February  
Year 5/6 Parent maths meeting Thursday 7th February

These will be held straight after school and will last between 30-40 minutes.

Year 1/2 Parent Maths meetings will be held after the half term break.

## Amazing Artists!

Willow, Imogen and Onika from year 6 have been selected to have their fantastic art work displayed at the Warwick School 'Exhibition of Young Local Artists.' The exhibition showcases various artwork from incredibly talented young artists from the local area and we are hugely proud of the work they have entered. The artists will attend the official opening on Saturday 2<sup>nd</sup> February. The exhibition will then be open to the public from Monday 4<sup>th</sup> February to Thursday 7<sup>th</sup> February in Warwick Hall, Warwick School. Thank you to Mrs Brock for organising this opportunity.

## Sea Life Centre

All the children in Key Stage 1 went to the Sea Life Centre last Friday and a great day out was had by all. The children were able to see a wide variety of sea creatures and this has enabled great opportunities for their written, geographical and science work this week. Thank you to the staff who took the children on this memorable trip and to the parents who were able to help on the day.

## The Unique Speak

You will be receiving a letter about our annual unique speaking event coming up next half term. This is a special competition in our annual calendar where the children perform a prepared speech to the school. Every child in Key Stage 2 should prepare a speech for their home learning over the half term break and children in Key Stage 1 can prepare a speech if they would like to join in. Children then perform these to their class and the class decides who will represent their class in the whole school competition. This event was absolutely terrific last year with some phenomenal performances by all. I am really looking forward to this years entrants and you may wish to start discussions with your child now about a subject they would like to speak about.

## Congratulations to our 'Star Learners' this week

Hazel	Aarna
Willow	Theo
Cherry Casper + Mila	
Apple	Ned
Pear	Reuben
Elm	Oleh
Pine	Aminu
Maple	Umar
Chestnut	Niall
Oak	Grace
Ash	Toby

## Our school vision and aims

### Where the Journey Begins

#### A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
