March Mathletics Madness!

During March there is a competition on the Mathletics Website. During this time some additional time to play on the mathletics games should be encouraged! Children will receive points for every curriculum activity completed and when playing live Mathletics games. 10 points per correct answer and 20 points per correct topic test!

The child with the highest score per year group will receive a certificate and 50 house points for their house.

The child with the highest points in the school will receive 200 house points for their house.

If we are lucky enough to accumulate lots of points the Mathletics team are offering some prizes for school too! Good luck everyone!

Sport Relief

Every year we support either the comic relief or sport relief charity fundraising day. This year we are supporting the sport relief campaign on Mar 13th. We are sending home a sponsorship form for families to complete to sponsor their child to complete a sports challenge at school on this day. The event has been planned with the school council who have developed the ideas for the challenges.

All the money raised will go to sport relief we look forward to a fun day!

Diary Dates 2020 Spring term 2

Mon 9th Mar	Parent Forum
Mon 9th Mar	Science Week competition
Tue 10th Mar	Football vs St Pauls home
Fri 13th Mar	Sport Relief Day
Fri 20th Mar	Willow Class Assembly
Wed 25th Mar	Spring Music Evening
Fri 27th Mar	Hazel Class Family Lunch
Mon 30th Mar	Y3/4 Smoothie Making
Tue 31st Mar	Y1/2 Weather Forecast
Tue 31st Mar	Y3/4 Performance
Wed 1st Apr	Y3/4 Performance
Fri 3rd April	Easter Eggstranza
Fri 3rd April	Term Ends

World Book Day

We look forward to world book day next Thursday where children are encouraged to dress up as their favourite character from a book. They will take part in many story and reading based activities during the day. Thank you for your continued support!

Year 3/4 Production

At the end of this month we look forward to the Year 3 and Year 4 production of Scrumdiddlyumptious. We know this will be a wonderful opportunity to showcase our children's talents and a great opportunity to develop their performance confidence.

- Thursday 26th March – All costumes will need to be school in a labelled bag. Children have been given an idea of their costume already but we will send out a reminder nearer the time.
- Monday 30th March - our Dress Rehearsal of 'Scrumdiddlyumptious' will be performed in front of the school.
- Tuesday 31st March - Our 3 / 4 production – 'Scrumdiddlyumptious' will be performed to parents in the school hall at 2pm.
- Wednesday 1st April – our 3 / 4 production of 'Scrumdiddlyumptious' will be performed to parents in the school hall at 6pm.

Pancake Day!

We enjoyed our annual Pancake races on Tuesday, each class competing towards an overall house winner!
1st Newbold 50 Hpts (133) 2nd Charlcote 25hpts (126) 3rd Arden (123) 4th Jephson (120)

New Parent Governor

We are very pleased to say that Farzana Meru is now our new parent governor, so we have a full complement of parent governors, who bring a very important voice to the challenge and support governors provide for the school. Our parent governors are: Hannah Stephenson, Carol Barnes-Burrell, Liz Kay, Helen Love, Zoe Morrissey, and Farzana Meru. We look forward to welcoming Farzana to the governing board.

Catherine Robbins
Chair of Governors

The School Enrichment Fund

Every term we remind parents of a longstanding Milverton tradition: making a voluntary contribution to our school enrichment fund. This fund allows our school curriculum to provide those little extras that make the children's learning extra special. This term we have invited in an Intrepid explorer, Mark Wood, who has climbed Everest and had many adventures all over the globe. This brings their 'Intrepid Explorers' topic to life and presents the children with that real 'wow factor'. For the Year 5/6 'Milvertate' topic, we have invited in a local artist who is going to work with the children on a batik-based art project; bringing in a specialist provider really adds value to their learning and should help to produce some exceptional artwork for their final exhibition next half term. The fund has also paid for robot day, drone day and dinosaur day; has assisted with bringing the cost down on school trips and has paid for many, many more things that the children get to experience. We are now planning an exciting visit from a planetarium for the whole school to celebrate 50 year anniversary of the moon landings, which looks like it is going to be amazing! We ask that, if possible, parents contribute £10 per term through their parent pay account, but some families choose to donate more as they know it makes the children's experience of school that much more exciting. I hope you are able to help!

Year 3 and Year 4 Trip

Next Month children in years 3 and 4 will be taking a trip to the Roald Dahl Museum and also enjoying a Roald Dahl dressing up day.

Tuesday 21st April – year 3 trip to Roald Dahl Museum and Year 4 Roald Dahl Day. The children in year 4 will dress up as a character from a Roald Dahl book.

Thursday 23rd April – year 4 trip to Roald Dahl Museum and year 3 Roald Dahl Day. The children in year 3 will dress up as a character from a Roald Dahl book.

Pancake Day!

Well done to our Star Learners this week!

THE “FRIENDS OF MILVERTON PRIMARY SCHOOL” NEW TEAM:

LIBBY ESLER is your new CHAIR
JO MARTIN is your new SECRETARY
SAM McCLEMONT is your new TREASURER

YOUR PTA NEEDS YOU!!

The FOMPS team is looking to take a new direction and we really need help from parents. Not only do the FOMPS events provide essential funding for the school but they also help build a wider school community.

Without your support the events simply won't run.

We would like each year group to be represented by at least two parents.

This is a liaison role between the school, the FOMPS and the class. Each class will be responsible for planning and delivering one event during the school calendar. If you are interested in being a parent rep or have any questions please contact FOMPS@Outlook.com

Please get in touch if you want to help: FOMPS@Outlook.com

REMINDERS:

DECORATIVE PLANKS: There is still the opportunity to purchase a plank for your family to design. If you would like to purchase for £5, please send an email to FOMPS@Outlook.com. Please return your painted planks back to the school before the Easter holidays. You can drop the planks under the shelter each Friday afternoon.

Visit our FOMPS information page on school website:

Notices

Report poor driving and dangerous behaviour

Reduce demand on front line policing

As part of Operation Snap, members of the public can submit (via a secure online form) digital footage showing potential traffic offences. This can range from driving dangerously or carelessly to overtaking on solid white lines, using a mobile phone while driving, ignoring traffic lights or dangerous driving around other road users, such as horse riders and cyclists.

We can also utilise this for unsafe and illegal parking near to schools

Visit the below website to fill in the online secure form:
<https://www.warwickshire.police.uk/operationsnap>

Think before you park

Your parking could be putting someone's life in danger!

Inconsiderate parking can put other people's safety at risk. If your parking forces someone to walk or cycle off course, you should not be parked there.

Think before you park!

Illegal and irresponsible parking can put lives in danger

No parking or waiting at any time.

Parking at restricted times only. Parking on footpaths/corners/junctions creates a dangerous obstruction to pedestrians and other drivers.

If you choose to ignore this advice you may be prosecuted.
The safety of pedestrians is far more important than finding a close spot to leave your car. Always think before you park.

Our school vision and aims

Where the Journey Begins

A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
