Happy New Year!

Happy New Year to everyone in the Milverton community. We celebrate a Super 2019 for Milverton as we continue to grow as a school. We look forward to an even better 2020. Our FOMPS team continue to come up with exciting fundraising and community developing ideas. The playground changes are looking fantastic, led wonderfully by Libby. I am really excited to see the Milver-Fence go up and become a part of the playground background, I have nearly completed my own panel at home with my two boys.

We also begin the final planning phase with the children for the next piece of play equipment for the smaller playground. I will be meeting with the school council and equipment contractors this term.

Thank you all for your continued support in making Milverton such a magnificent school!

'Bikeright'

We are completing the new Warwickshire Bikeright scheme, this used to be called cycling proficiency. This is something that we are trailing with our Year 6 children this year and hoping to make a fixture in our calendar. The scheme will be taught on the next two Monday and Tuesdays at school.

Date Changes

Maple class assembly has moved from Friday March 27th to Friday April 24th.

The year 5/6 trip to coombe abbey has now moved from Wednesday 22nd Jan to Tuesday March 3rd.

Specialist Teaching Service

As you may be aware, we subscribe to the Local Authority Specialist Teacher Service (STS), part of this subscription provides a specialist teacher to offer advice and carry out assessments, if appropriate, for a variety of reasons. During the last couple of years Eve Godwin has been our assigned contact, however due to promotion Eve will no longer be with us and we are welcoming Annette Mulcahy. Annette has spent time in school this week and we are looking forward to working with her.

St Marks Christingle Service

Happy new year!

St Mark's Christingle service raised £1,517.97 for the Children's Society. To all who attended and gave so generously – from Ros Jo and everyone at St Mark's. Thank you so much.

Merry Milvertonians

It feels like a long time ago now but our Merry Milvertonians event happened on the last day of term. Due to poor weather we moved into the dining hall and many families chose to stay have a festive drink and bite to eat, seeing out the Autumn term before the Christmas break. It was so nice to see people in such festive mood and really nice way to end the year. A huge thank you to the whole team organising the event, many people put a lot of hours into ensuring it was a great time for all. Thank you to Fiona and the FOMPS team!

School Fund Contributions

Every term we remind parents of a longstanding Milverton tradition: making a voluntary contribution to our school enrichment fund. This fund allows our school curriculum to provide those little extras that make the children's learning extra special. Previously, we have invited in an Intrepid explorer, Mark Wood, who has climbed Everest and had many adventures all over the globe. This brings their 'Intrepid Explorers' topic to life and presents the children with that real 'wow factor'. For the Year 5/6 'Milvertate' topic, we invited in a local artist who is going to work with the children on a batik-based art project; bringing in a specialist provider really adds value to their learning and should help to produce some exceptional artwork for their final exhibition.

The fund has also paid for robot day, drone day and dinosaur day; has assisted with bringing the cost down on school trips and has paid for many, many more things that the children get to experience. **We ask that, if possible, parents contribute £10 per term** through their parent pay account, but some families choose to donate more as they know it makes the children's experience of school that much more exciting. I hope you are able to help!

Well done to our Star Learners this week!
