Mon 8th Apr	Shakespeare Day
Fri 12th April	Term Ends
Frid 21st June	Infant Sports Day
Mon 24th June	Junior Sports Day

Learning review meetings

As we have two of our Key Stage 1 teachers leaving at the February half term break, we thought it would be sensible to hold the learning review meetings between teachers and parents before they leave.

Tuesday 5th of February 3.30 - 6.30pm (Apple Cherry Pear Classes)

Thursday 7th February 4.00 - 7.00pm (Cherry and Pear Classes)

Friday 8th February 3.30 - 6.30pm (Apple Class)

Appointments are booked on the school website on the parents menu, online booking system. This will be open Wed 23rd Jan.

No more Putty Please!

Please can children not bring putty into school anymore. The putty is very sticky and does not help us to enjoy the school day. A child recently accidentally had putty get into their hair and had to have a large chunk of hair removed. I am certain that no parents would like that for their own child. Please remind children that it should not be brought into school. Thank you for your continued support.

A Fond Farewell

Sadly, we will be losing one of our long standing teachers at the February half term break. Mrs Hague has accepted a post at a nearby school, teaching for four days a week. She leaves her post with us, teaching two days a week, in Apple class. Mrs Hague has been with Apple Class on a Thursday and Friday, she will be greatly missed when she leaves. Mrs Hague has been at Milverton School for a long time and is part of our senior leadership team. We know she will be a fabulous addition to her new school team and we wish her the best of luck with this new venture.

We are happy to announce that we have recruited a teacher well known to the school. Mrs Brookes taught at Milverton for a whole year during another teachers maternity leave recently and we were delighted to know she would be able to join our team again this year.

Mrs Tribe-Phillips will continue to teach Apple Class on a Monday, Tuesday and Wednesday and Mrs Brookes will begin teaching on a Thursday and Friday after the February mid-term break.

Christingle

The amount raised for the Children's Society at our Christingle service on Christmas eve was £1180.21. It would be great to say a huge thank you to all who attended and gave. There were many children parents and grandparents from Milverton school. It is always wonderful to have them all with us. With many thanks. All good wishes, Ros

Rolling, Rolling, Rolling, keep them wheels rolling

Last week children in Year 1/2 were designing and making their own moving vehicles. On Wednesday 16th and 17th January we opened our Toy Museum where the children were able to show their vehicles to their parents. It was a great success and many parents commented on how the children really enjoyed making their vehicles (especially using the hack saws) and were really impressed with the final products.

Competition Winners

The School council met this week and the main item on the agenda was to vote for the winners of the shield competition. The competition had been entered by many, many children and the standard was extremely high! We found the decision making very difficult and we decided upon these four winners. The children also decided that because the entries were so great we would display them all in school so they could all represent their house! Well done to all that entered and especially to the winners who were Willow in Jephson, Georgia in Arden, Limoni in Charlcote and Lily in Newbold.

Congratulations to our 'Star Learners' this week

Our school vision and aims

Where the Journey Begins

A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
