## Red Nose Day - March 15th

We have been planning our Red Nose Day fundraiser. On this day children will be asked to wear something red and make a £1 donation for this. Children in the school council made suggestions of children coming in with red spiky hair, but this will be up to the individuals. Children also asked that we do cake sales at break and lunch time, asking families to bring cakes in and children to sell these for a fixed price. Any left over cakes will be sold on the playground at the end of the day. We also discussed some fun games to play during the day and to have a teacher talent show, which has gone down really well with staff! We look forward to the fun!

## World Book Day - March 7th

We are planning our World book day celebrations for Thursday 7th March. The theme this year for dressing up costumes will be 'Heroes and Villains' from your favourite stories.

## Football Superstars

Our Amazing football team had a game against Clinton Primary School on Thursday afternoon. We played on a very cold day but thankfully in dry conditions. The game started in a very open way, with both teams having many chances going close. Luckily, our central defenders Freddie V and Frankie were strong in the tackle and kept us safe. Arthur, in goal, pulled out save after save. Sadly, our resolve broke and the Clinton side scored after a breakaway chance spilled out to one of their players, who tapped it into the corner. Milverton did not give up! Our boys went on the immediate attack, raining shots in on the opposition net. Finally, the Milverton boys won a free kick on the edge of the box and Freddie T was able to drive a fierce, curled effort into the top corner. The opposition then hit back with another break away goal in the second half. Milverton again showed great tenacity, with some super work from midfield dynamo Charlie A, the sky blues of Milverton were able to fashion a chance to fall at the feet of Sam B, who flicked a cheeky back-heel passed the oncoming goal keeper. The game moved towards its conclusion with end to end action. Both teams getting great opportunities to score and another superb display from Arthur in goal ensured Milverton stayed on level terms. Then right before the final whistle Milverton gained another corner, Freddie looped a high cross to the back post where Reece rose like a salmon, towering over the opposition, to nod the ball into the net. Milverton win 3 - 2! Well to Mr Walker and to the team, Arthur, Frankie, Freddie, Mason, Tristan, Sam B, Mack, Charlie A, Freddie T and Reece.

## Governor Visits

We are very lucky that our committed group of school governors give up their time to come in to visit the school and our staff. They will then send a report back to the governor group about the different areas of the school. Maggie Wagstaff is our Early Years and SEND governor, here is a quick recount of her visit during the Christmas period.

The perks of being an Early Years Governor .....

You get to have a front seat at the nativity performance and all the glitter you can spread about during the Art Activity day!

The two events that I was able to see during the Christmas period, showed the wide ranging curriculum offered in Reception, incorporating fine and gross motor control, extension of language and literacy work, building self esteem and confidence, working cooperatively and problem solving. I was also able to see children really enjoying and participating fully in their learning experiences.

So that all governors get a share in the experience, my report was fed back to the performance and standards committee at their meeting and will go to the full governing body later this term. Thanks to all staff and children whose hard work is recognised and – very much appreciated .

## Our school vision and aims

### Where the Journey Begins

#### A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
