Mathletics

As a school we buy the mathletics program for all families, this would cost £60 if you paid independently. Our purchase allows everyone to have this for a donation of £5 per child. If we do not receive enough donations we will not be able to buy in the program for next year. Please use parent pay to make a donation to help us to help you!

Sports Day

On Monday, we managed to escape the rain to hold our annual Junior Sports Day. The children were brilliant, competing with a great spirit of sportsmanship. Team events allowed children to participate in some fun joint activities working towards the goal of earning points for their house team. We then held individual running races for all children competing for their own glory and earning points towards the team total.

The points earned in the team round

Team Events

Arden	Jephson	Newbold	Charlcote
660	650	570	610

Individual Races

Arden	Jephson	Newbold	Charlcote
70	240	110	190

Special Mention Points Awarded

Arden	Jephson	Newbold	Charlcote
Wendy 25	Willow 25		Florence 25 Ruari 25

The points earned all go towards the House total at the end of the year. The school council have this year decided the winners of the house cup will win an afternoon at the school field playing some fun sports activities and having a picnic treat.

Moon Landing Day - 50 Years Celebration

We were treated to a special day on Thursday when our school hall was take over by an inflatable planetarium. It has been 50 years the moon landings in 1969 and we celebrated this with a fact filled fun time. Children from across the school were able to lie back and enjoy an adventure into space. They were given may facts about space travel and information about the moon, landing on the moon and the planets in our solar system. Teachers had then planned some exciting practical activities based around the information discussed. These wow moments are the events that stick in children's memories. We were able to pay for this enrichment event through the kind donations of parents, thank you all for your continued support. A big thank you to Mrs Shilton who organised the day for all to enjoy!

Return to sender - Our Plastic Feedback

A number of parents have contacted the school about a BBC campaign to get supermarkets to take a greater responsibility for the amount of single use plastic packaging they use. The idea is that you take the packaging back to the supermarket as feedback to them. Please click on the link below for more information.

Area Athletics Competition

Edmondscote Sports Track was the venue that saw hundreds of children competing against each other last Thursday afternoon, in the Area Athletics Competition.

Milverton team performed brilliantly in all events and were particularly strong in the relay races! The winners and runners up of the track events and the winners of the field events will now go through to represent Leamington against other areas in the County.

Well done to all of those who took part and special congratulations to the following children who have qualified to represent Leamington .

Sam E, Jesse E, James B, Myles B, Sam C, Charlie A, Sam B, Amber H, Hollie W, Bella B, Freddie T, Arthur F, Nina M, Izzy W, Lola E, Sophie D, Mae H S, Charlotte B, Maddie L, Connie Mc , Mia Mc, Scarlett A.

Sports Festival

Well done to the year 3. /4 children who took part in the Leamington North Sports Festival held at Milverton School Field last Friday. The sun shone down as the children competed against themselves in 6 events including a penalty shoot out, an obstacle course and a space hopper race. A great afternoon was had by all with lots of super sportsmanship. A big thank you to our year 5/6 Sports Ambassadors who helped organise the event

Ricky Brown Dance Day

Children in Key Stage 2 have been treated to our annual Dance Day with Ricky Brown. Each year group learns a cool street dance routine to a song. Children are taught the routine by a professional dance specialist. They then perform this routine back to the other children in the afternoon. This is always one of the children's favourite days of the year and the performance is a real treat to enjoy. Thank you to Mrs Jeremiah for organising the day and to Ricky Brown for his expertise on the day.

Cricket Superstars

On Wednesday our Year 3 and Year 4 cricket team took part in the annual Leamington cricket tournament at Leamington Cricket Club. Our amazing team played three games against Lillington, Arnold Lodge and Brookhurst School. The games were 8 overs with each pair batting for two overs. Players earned runs according to the normal cricket rules, they also lost points for anybody who was out. Our team performed brilliantly, Polly was a standout player in our second match smashing a hat trick of sixes in one over against the Brookhurst team. Neerajan was also showed off his batting skills in our last game again hitting a number of sixes. All the players did a fantastic job . We won all three games and finished the winners of the tournament ! Well done to Lily, Nina, Neerajan, Wilf Polly, Harry, Zach, Ethan.

Playground Pizzazz

With our ongoing plans for playground development we would like to re-decorate and liven up some of the wall spaces around the playground. We are aiming to improve these spaces through children's design ideas and through support creative support from our super parents. We are initially asking for children to send design ideas to the school for pictures / paintings / decorations / design ideas for any of the wall spaces around our playground and sheltered areas. The design ideas could be collaged together or transform one of the walls we see everyday. Good luck!

Design Competition

Send in a design under the theme of "Things that make me Happy!"

This competition is open to children and families across the school. Please send designs to Mr Fisher.

It would be great to get designs in before the end of the school year although we would be happy to take in any plans in the first week back after the holidays. Good Luck!

New WAM Booking System

To further improve our WAM Provision we are introducing an online booking system. This is both to make booking an easier process for parents and a more efficient booking system for WAM.

You will first need to register as a parent, and all of your children at Milverton. This process will take around 5 minutes. **Parents can register their details from Tuesday 2nd July.** Once registered the booking process should be very quick, although you will not be able to book sessions until the booking system goes live.

The booking system will go **live for September bookings on Wednesday July 10th.** The school office will send a reminder message when the system is able to take new bookings.

We have tested the system and it is easy to use and navigate through the sections.

Once registered, you can then go onto the booking system with your login and password and the clubs open to your child will appear for each day of the week. The system has an ongoing balance displayed to keep everyone up to date with payments.

As suggested in previous communication our Governor group has decided to raise the price by 50p per session. Again, this price will not be reviewed until next September (New price £5.50 per session)

Following our survey, parents overwhelmingly voted to keep the clubs on the same days. We have also repeated some of the more popular clubs to give families more options. The Survey was extremely positive and thank you all for your kind comments.

We will upload the new September timetables to the school website on Monday morning so you can discuss and select your sessions with your child.

As this is a new system we will appreciate your patience with this and are available to hopefully answer any questions or support needs via email on wam@welearn365.com.

Thank you for your continued support, The WAM team

Adopt a School Flowerbed

The central flowerbeds in the playground need your help!

We are looking for willing parents / families to adopt a flowerbed for weeding and general maintenance over a school year.

Do as much or as often as you want - expect a few days across Spring and Summer terms will suffice.

The flowerbed closest to the trim trail is already in the capable hands of **the Hosfords!** **Grab yours now!**

If you have a few gardening tools, a day or so free a year and want to help keep the school premises looking great, please drop an email to Mr Fisher head2606@we-learn.com

International Food Day

- International Food Day -
Just under **£500** raised on the day!!
Thanks to all who contributed and supported this terrific event

School Disco

Wednesday 17th July

Volunteers needed to run this event for

Infants (5.30-6.15pm) otherwise unfortunately there will be no **Summer Disco for infants.**

If you think you can help please get in touch via email: fomps@outlook.com for information. Will include collecting entry fee, supervising children, etc.

Tombola

Please drop off items for the Tombola at the school office.

Thank you!

Childcare with flexibility when YOU need it

We know that plans can change, with Onside Coaching your booking can too. Our user-friendly online system allows you to edit or change your booking as and when you need to – right up until midnight the night before any given booked day.

Need to add an early drop-off or late pick-up?
No problem. Our system gives you the ability to add an early drop-off or late pick-up to your booking quickly and easily, with no extra cost. Our fee registers mean we are kept up-to-date with any changes in real time. Perfect for those days when your children's needs change at the last minute.

Want to change your mind?
We offer you the flexibility of being able to change your mind and when or cancel you need to change. What's more, the cost will be credited back to your account so you can use it towards a future booking.

Our online booking system has been built with parents in mind. Our goal is to provide you with high quality childcare that works around you. Try it all for yourself - visit our website and create a new account today...

Our school vision and aims

Where the Journey Begins

A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
