The changing rooms are open!

We are delighted to announce our changing rooms are finally open! After a few hiccups with the builders and the plumbers they are finally complete! The school council gave them the seal of approval this week with a final inspection before they are to be used.

A day at the farm

I was lucky enough to join the reception classes at Umberslade farm on Wednesday. The children had a fantastic time, asked some amazing questions. They met some lovely animals, it was a great day out!

Invasion of The Dinosaurs

Just before the half term break we were invaded by a collection of huge dinosaurs, created by our reception classes. They looked absolutely fantastic and I thought parents would like to see the ferocious beasts!

French and Spanish Lunchtime Clubs

In the Autumn term our super lunchtime language clubs with Mrs Eribenne will continue. The French Lunch time club for Infants is back every Wednesday and the Spanish Lunch time club for Juniors is back every Thursday. See the adverts in the notice section for more information!

Black Country Museum

Children in year 5/6 had a great trip to the Black Country Museum in Birmingham, learning lots about the coal industry and the local area during the Victorian era. It was great to get a 'feel' of what life was like for the Victorians, and look inside houses and shops that gave us plenty of clues. We were also able to head down into a coal mine, and ride on the Victorian fairground rides!

Calling all prospective governors

We have six elected parent governors on the Milverton governors board – it is important to us that there is a strong parental voice in the support and challenge which the governing board brings to the school.

There is now an opportunity to join the governors as Emily Lim has come to the end of her second four-year term. Emily has been a committed and active governor, working on both the Premises and Performance and Standards committees. Emily chaired the Premises committee for a number of years, and played a significant role in the development of the playgrounds at school. We thank her hugely for the time and care she has given to Milverton. If you would be interested in joining the governors as a parent or carer representative, we would welcome your nomination, which should be submitted to Mr Fisher by Friday 7 June. Your nomination should consist of roughly 100 words about the skills and experience you could bring to the governing board, together with the name of another Milverton parent who seconds your nomination.

If you would like more information about what the role of governor involves, do feel free to speak to one of the current parent governors (Kay Lawrie-Stiven, Alex Davidson, Emily Lim, Liz Kay, Carol Barnes-Burrell or Hannah Stephenson), or contact me at robbins.c52@welearn365.com.

In the event of more than one nomination being received, there will be an election open to all parents at the school.

We look forward to hearing from you!

Catherine Robbins
Chair of Governors

FOMPS International Food Day

We really need your help! Please help to be involved in creating a lovely food based event on Friday 14th June. We would like to have a number of people selling different food items from around the world. We would like to make it simple and have all items to be sold at a price of £1—some may be chopped down to still remain good value and allow people to choose more than one item. The event will be held in the playground afterschool and should be a fantastic fun family event to round off our healthy eating week in school!

If you could make some food for this event and be able to run a table please can you contact Angelina on : yunwa1125@hotmail.com

Angelina has had some lovely ideas about how this event could be run. She was also hoping people may have some dress or items that children could have a photo taken with for 50p—she will be bringing some traditional Chinese items for this purpose.

Please see the separate flyer and form to fill in and return to her to let her know you can help.

Congratulations to our 'Star Learners' this week

Healthy Eating Week

Next week is Healthy Eating Week. The children will take part in lots of activities based around the following challenges: have breakfast; have 5 a day (and try something new); drink plenty; get active and sleep well. It would be great if you could encourage your child/children to think about the challenges at home as well as in school.

Activities will include:

- A food sculpture home learning/competition;
- Creating a salad for the lunchtime salad bar;
- Growing food from a seed;
- A visit to Canalside Community Food (year 5/6);
- Daily physical activities

...and much more!

WAM Childcare for INSET Day

We are excited to announce that WAM will be running another full day of Childcare on our next inset day. Our last inset day ran really well and we had some great feedback from children and parents. Children can take part in a mixture of craft, sports and cooking activities throughout the day. Collection and drop off will be at the Dining Hall. If you would like your child to take part in this exciting experience then please email the WAM team on wam@welearn365.com to book your place.

Friday 19th July

8am to 6pm including breakfast and hot lunch £35

Parents Forum

The parent forum will meet on Monday 17th June afterschool at 3.30pm. Please email me with any points for discussion. I normally suggest three items for discussion, these would be:

- Parking
- Dogs on the playground
- E-mailing staff and communication to parents

I am happy to change these as people see fit or take opinions via email to share with the group. Please email me at head2606@welearn365.com

Join us for an exciting evening of performances by a range of our fantastic music groups!

Childcare with flexibility when YOU need it

We know that plans can change, with Onside Coaching your booking can too. Our custom-built on-line system allows you to edit or change your booking as and when you need to - right up until midnight the night before any given booked day.

Need to add an early drop-off or late pick-up?
No problem. Our system gives you the ability to add an early drop-off or late pick-up to your booking online and easily, even at the day itself. Our fee system means we will help you to cope with any changes in real time. Perfect for those days when your children need shopping at the last minute.

Want to change your mind?
We offer you the flexibility of being able to change your mind and alter or cancel a session right up until midnight before the day you need to change. What's more, if you're online booked back to your account so you can use it towards a future booking.

How to edit or change your booking

1. LOG IN
2. Click on 'NEW ACCOUNT' at the top of the page
3. Select 'Bookings Overview'

To edit your booking, click 'View/Edit' to make the changes you require. As changes are made a revised price will be automatically displayed.

Our online booking system has been built with parents in mind. Our goal is to provide you with high quality childcare that works around you. Try it out for yourself - visit our website and create a new account today...

Our school vision and aims

Where the Journey Begins

A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
