Parent Forum - 9am Monday 19th

On Monday 19th March we have scheduled our parent forum at the alternative time of 9am to provide opportunity to parents who have been unable to make the after school sessions.

Agenda Focus will be on:

- Parents evening - information handed out
- School Closures
- Athletics - buy in
- Before and After School Care

Apologies for the communication regarding the last Parent Forum. The session was cancelled as I felt the lack of newsletter reminder would provide a poor turnout on the Monday morning. We decided to re-schedule for the 19th with more reminders in place. I hope to see you there!

Parents SATs meeting

Next Wednesday Miss Tempest and Mrs Jackson will be running a parental information evening for Y6 parents to explain the SATs process. The meeting will take place in Mrs Jackson and Mrs Belmega's classroom at 3.30pm.

FOMPS Movie night

Are there any parents who could offer some tie to support the FOMPS Movie night next Wednesday 21st March. The ladies have a great plan for how the event works please help if you can!

Smooth Movers in Y3/4

The year 3/4s completed our PSHEE and DT unit this week, which concluded in making and selling our very own delicious smoothies. We made sure that we included a range of fruits for all their vitamins and goodness. If we make enough profit from our sale, the children will all receive an exciting treat for the end of the year.

Dance, Dance, Dance

Last Thursday afternoon, a troupe of dancers took part in an exhilarating dance festival at Trinity school.

Two Milverton squads showcased a perfectly choreographed performance to music, showing amazing flair and creativity.

The dancers were also given the opportunity to learn some Zumba moves by a professional teacher which they really enjoyed but found quite challenging and exhausting.

The pupils, of all ages, shared their dances with Brookhurst, St Paul's and Telford Infants
Well done to our KS1 squad – Dylis, Jude, Ellie, Molly, Esmee, Natalie, Eliza, Ella, Layla and Amber and our KS2 squad – Tara, Freya, Lauren, Sophie, Chloe, Isla, Eli, Abhinash, Bella and Imogen.

Congratulations to our 'Star Learners' this week

Spring Music Evening

CONGRATULATIONS to all the fantastic performers who took part in the concert on Wednesday evening. A great showcase of the variety of talent we have at the School. Many thanks also, to the wonderful and appreciative audience. If anyone has any photos they would be able to send into school for a display please forward to Allison.b2@welearn365.com.

Many thanks.
Mrs Allison

A wonderful evening was enjoyed by all on Wednesday. Children from across the school performed individually, as pairs, as groups and as a collective for the final number. The performances were top notch, I really enjoyed seeing and listening to some of our fantastic talented individuals. The event was really well supported by parents and I had many delightful comments after the evening had been completed and then further emails from parents appreciating the opportunity for their children to perform. Having the chance to perform to an audience in a concert like this allows children to have something to work towards and receive praise for the efforts they have been putting in. Thank you to Mrs Allison for organising the event!

Tennis on the Tables

The girls and boys in all year groups are enjoying our new table tennis tables during play and lunch times. Dan and Alexa, our table tennis leaders are doing an excellent job of organising rallies and helping the younger children to learn the basic skills. Some of the games that the children have been playing include King of the Court - a game which involves a number of children on the court at any one time, trying to beat the king.

It is lovely to see the children in action at break times, improving their ball and coordination skills.

Football Crazy!

Our Year 5 6 football team played a home match against Clinton Primary School this week. A hard fought game saw the first half ending 0-0 with Milverton dominating the possession but unable to find the killer pass. Excellent work from Archie and Isaac in the middle of the park kept Milverton driving forward. Matty and Sam on the two wings again had excellent games, Sam's mazy dribbles getting past defenders and pushing the ball forwards to teammates seemed to happen every time Milverton got the ball. Part way through the second half one of the many Milverton chances fell to Dan W on the edge of the box who was able to fire a powerful drive into the bottom corner, putting Milverton 1-0 up! The game continued with the opposition pushing for an equaliser, sending up additional players from the back try try and claw back that elusive goal. They thought they had a breakthrough in the final minute flashing a shot towards the Milverton goal, but before the shot could leave the attackers foot Arthur had sprung from his goal line and slid into to deflect the shot, saving the Milverton Blushes and being a hero for the day! Well done team and excellent victory!

The next match date has changed to Monday 19th at home again vs Long Itchington
