

Milverton News

Thank you Milvertonians!

Thank you for all the kind messages, offers of help and praise of the effort in creating the work at home packs. You are correct we do have a wonderful team of individuals here who really pulled the stops out this week to create something practical for you to use straight away. There is no expectation of what you complete here only provided as a guide.

A big thanks to the staff, parents and children who helped with cleaning tasks yesterday as we are staff down. When things get tough Milvertonians step up! Thanks everyone and look after yourselves!

It feels like a sad day as we close our doors to the vast majority of children as we do not know what the coming weeks and months hold for us all. I wish you all the best and hope we can all return happy and healthy before the end of this school year. Take care of your selves and each other.

Kind regards, Mr Fisher

Dress up for downs and Easter Egg Tombola!

We aimed to keep the fun rolling on our last day for a while! The children who came in dressed up today had a fabulous time with some super outfits showing that we like to dress up for downs! We also gave out the kind donations of Easter eggs selecting a few lucky winners. Thank you to all our families showing great support today!

Our school vision and aims

Where the Journey Begins

A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
