| Fri 19th July | Teacher Day School Closed |

Transition Visits

Children in Y6 will be visited by many of their prospective schools in the coming weeks, children will be working with the school they are planning to join. The big moves starts to get very real now!

Y6 SATs completed

I just wanted to say a big well done to the children in Year 6 who completed all of their Year 6 SATs this week. They have approached their tests with gleeful enthusiasm and the week seems to have bit a real high point. One child told me that he wished every week was like this, although, I think the comment was directed more at the hot breakfast start to the day! Well done children and staff for making it such a smooth week!

RSE Meetings

RSE is Relationships and Sexual Education, this is taught throughout the school. It begins early on teaching children about positive relationships, moving to more complex and explanatory topics as the children move up the school. The RSE meeting is a chance for teachers to outline to parents the topics covered in their phase in the school and how this information is taught to children. This is to help parents understand what is taught and perhaps pre-warn about some tricky or unexpected questions that may arise at home. Please monitor the calendar and your emails for more information. Thank you for your continued support.

WAM Childcare for INSET Day

We are excited to announce that WAM will be running another full day of Childcare on our next inset day. Our last inset day ran really well and we had some great feedback from children and parents. Children can take part in a mixture of craft, sports and cooking activities throughout the day. Collection and drop off will be at the Dining Hall. If you would like your child to take part in this exciting experience then please email the WAM team on wam@welearn365.com to book your place.

Friday 19th July

8am to 6pm including breakfast and hot lunch £35

Onside Coaching - May Half Term

Onside Coaching – May Half-Term Holiday Courses
Onside Coaching are now taking bookings for the May Half-Term school holidays. You can find them at Aylesford School in Warwick from Tuesday 28th to Friday 31st May, where they will be offering a choice of multi-sports, football or dance. Full wraparound care is available from 8.30 till 5.00. For details of how to book, please visit the Onside Coaching website at www.onsidecoaching.co.uk

Congratulations to our 'Star Learners' this week

Governor Experience

Having been part of the school for nearly 13 years now, I have seen many students through their entire school life at Milverton. I am continually amazed at the brilliance, commitment and attitude of the children and staff throughout each year group. What's more, they all do it with the greatest amount of enjoyment and fun. With this in mind, when I was asked to be a governor four years ago, I jumped at the chance.

I was placed on the Premises Committee, as Mrs Robbins and the others thought my experience in running children's sports activities, and the qualifications needed to do this, matched many of the committee's needs. There are six other members on the committee, including the head and two staff members. In general, we monitor everything to do with the site, from health and safety and policies and procedures to site re-development and maintenance. And as I found out very quickly, in this there is a constant battle for the budget between what is needed (safety and essentials) and what is wanted (more rooms, better equipped and more play equipment). This year we have been concentrating on all the health and safety policies and procedures - a document with well over 100 sections ranging from internet/website safety, to fire procedures and water checks, to school trips, lettings and contractors and visitor safety. If it happens in the school, there is a policy for it, and we ensure that they are up to date and in line with the Local Educational Authorities (LEA) guidelines.

We do regular site inspections with the support of Mr Heard (Site Manger), where we check that the maintenance jobs suggested by the annual LEA visit have been completed and whether there is anything else around the school needs attention, either from risk assessing or from teachers needs/ wants. On this inspection we also check the accident and near miss record books to see if everyone is following the correct first aid procedure, as well as to see any possible trends in minor injuries and see if we can change anything to help prevent them.

One of the biggest policies we have been developing is accessibility. The aim of the school is to treat all its pupils, staff and visitors fairly and with respect. This involves providing access and opportunities for all pupils, staff and visitors without discrimination of any kind. Although the school meets all the LEA requirements, there is still a little bit of work to be done to get it to Milverton high standards.

Things you might notice in the very near future: we are introducing new Identification Lanyards for governors, to help everyone know who a governor is and available for information. Finally, and way more excitingly, we have been discussing and assessing the impact of the school development plans - from planting/maintaining the flower beds, to school decoration and the new changing rooms (finally finished). On a bigger scale, the plan for the playground development is in full swing and hopefully we shall see the changes soon.

Thank you to Tom Sidwell for providing this insight into his experience as a Governor.

Our school vision and aims

Where the Journey Begins

A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
