Good Luck Mrs Rhead

Mrs Rhead in Cherry Class will finish with us today as she leaves to become a mummy for the first time. Everyone in our school community wishes her the best of luck and we look forward to meeting the new edition to her family! Good luck!

Y2 SATs completed

A big well done to the children in Year 2 who have completed their national SATs test over the past month. Being mixed in with super hero dress up days and other fun activities has made the children as unaffected as possible! Well done to all the staff who have ably completed these with children in the best ways for the individuals concerned! Well done to all!

WAM Childcare for INSET Day

We are excited to announce that WAM will be running another full day of Childcare on our next inset day. Our last inset day ran really well and we had some great feedback from children and parents. Children can take part in a mixture of craft, sports and cooking activities throughout the day. Collection and drop off will be at the Dining Hall. If you would like your child to take part in this exciting experience then please email the WAM team on wam@welearn365.com to book your place.

Friday 19th July

8am to 6pm including breakfast and hot lunch £35

Marle Hall 2019

We are delighted to be sending out information to the Year 5 parents in relation to the Marle Hall trip that will be happening in November 2019. This will be my 4th visit and I am eagerly looking forward to the trip which is a highlight in the children's final year at Milverton. The letter will be emailed to parents today outlining costs and details for the trip. We open the parent pay site for those who would like to begin payments now. We are always happy to take questions regarding the trip and will be holding a parents information evening early in the new school year. We are also looking for volunteers to join our happy band of adult helpers, please contact Mr Fisher directly if you would like to join us.

**A huge Well Done to
Elwood, Sam, Luke, Will and Leo
who did a 3km mud run.**

**Elwood raised £790 for Birmingham children's hospital.
An Amazing achievement!**

Calling all prospective governors

We have six elected parent governors on the Milverton governors board – it is important to us that there is a strong parental voice in the support and challenge which the governing board brings to the school.

There is now an opportunity to join the governors as Emily Lim has come to the end of her second four-year term. Emily has been a committed and active governor, working on both the Premises and Performance and Standards committees. Emily chaired the Premises committee for a number of years, and played a significant role in the development of the playgrounds at school. We thank her hugely for the time and care she has given to Milverton. If you would be interested in joining the governors as a parent or carer representative, we would welcome your nomination, which should be submitted to Mr Fisher by Friday 7 June. Your nomination should consist of roughly 100 words about the skills and experience you could bring to the governing board, together with the name of another Milverton parent who seconds your nomination.

If you would like more information about what the role of governor involves, do feel free to speak to one of the current parent governors (Kay Lawrie-Stiven, Alex Davidson, Emily Lim, Liz Kay, Carol Barnes-Burrell or Hannah Stephenson), or contact me at robbins.c52@welearn365.com.

In the event of more than one nomination being received, there will be an election open to all parents at the school.

We look forward to hearing from you!

Catherine Robbins
Chair of Governors

FOMPS International Food Day

We really need your help! Please help to be involved in creating a lovely food based event on Friday 14th June. We would like to have a number of people selling different food items from around the world. We would like to make it simple and have all items to be sold at a price of £1—some may be chopped down to still remain good value and allow people to choose more than one item. The event will be held in the playground afterschool and should be a fantastic fun family event to round off our healthy eating week in school!

If you could make some food for this event and be able to run a table please can you contact Angelina on : yunwa1125@hotmail.com

Angelina has had some lovely ideas about how this event could be run. She was also hoping people may have some dress or items that children could have a photo taken with for 50p—she will be bringing some traditional Chinese items for this purpose.

Please see the separate flyer and form to fill in and return to her to let her know you can help.

Congratulations to our ‘Star Learners’ this week

Oak	Charlie
Chestnut	Reggie
Ash	Namita
Maple	Reuben
Elm	Jess
Pine	Harry
Apple	Abigail
Pear	Floren
Cherry	Lily
Willow	Harry
Hazel	Sakura

Unnamed lost property

A big thank you to Sian who again came into school to go through the lost property. Named items are returned to classes. Unnamed items have been sorted and put the bench outside the dining hall, anything not collected will be donated to charity.

Please name your child's clothes! Thank you for your continued support.

Save the date!

Feeling a bit dim - Well light up your life with a new lampshade!
Make your own lampshade workshop 7:30-10pm on Wed 19 June!
Details to follow after half term.

PLAYGROUND EQUIPMENT UPDATE

THANK YOU!!! to all parents who have donated towards the new Junior playground equipment via **Parent Pay**. So far we have raised an amazing £1,020 and only **need to raise £700 more** to cover the rubberised safety flooring.

Can you donate an amount on Parent Pay to help us meet our goal?
See Parent Pay 'donation to playground equipment'

Our school vision and aims

Where the Journey Begins

A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
