## Learning review meetings

Our Autumn learning review meetings between parents and teachers will take place on Tuesday the 6th and Thursday the 8th of November.

Parents book a slot for their meeting on the school website, in the parents drop down menu there is a booking system option. Parents should input their details and then select an open timeslot for their appointment.

The booking system will open on Monday 22nd October at 6pm, the booking system will close on Monday 5th November at 9am. Please try and complete this booking this coming week if you require support, as we will be unable to help during the half term break.

We look forward to sharing and celebrating your child's achievements and discussing how we can help moving forward.

## New House Names and Captains

We have renamed our school houses. With the help of the school council, we selected a local woodland-inspired site for the name of each house and the children then selected which colour best represented each name.

<b>Arden</b>
<b>Newbold</b>
<b>Jephson</b>
<b>Charlecote</b>

Along with the new names, the houses will have two house captains: a boy and girl from Year 6. This prestigious role has been voted for by all school staff. The school council decided which attributes staff should look for in the children selected and then all staff had two votes per house to select who they thought would be best suited to the role and who would set a great example to the others. Well done to the winners!

They will begin their new roles after the half term break.

<b>Arden</b>	<b>Newbold</b>	<b>Jephson</b>	<b>Charlecote</b>
<b>Onika</b>	<b>Freddy V</b>	<b>Dylan</b>	<b>Isla</b>
<b>Arthur</b>	<b>Issie G</b>	<b>Imogen</b>	<b>Sihan</b>

## Wet and Wild Football

On a wet Monday afternoon, our courageous footballers played their second match of the season. We played against Radford Semele, away from home, on a very muddy and bumpy pitch. Our side played a brilliant game, going ahead early with a goal from Freddie. The game was end to end in the wet and wild conditions, one minute Arthur was forced to make a finger tip save, pushing the ball onto the post and then the crossbar, then moments later, fast flowing play from Milverton resulted in a number of chances for Sam, Freddie, Mason and Charlie. This game was a treat to watch, Jesse was everywhere in his sweeper role, always making the last ditch tackle. Sihan and Freddie V looked solid in ably supporting Jesse with their defending skills.

The second half started with Milverton leading 1-0, Radford came again and again hitting the post, with many, many close efforts. They luckily equalised from a long cross which was steered past the Milverton keeper. Almost immediately, Milverton replied with a skilled passing display from the forward line, releasing pacey Charlie A on the wing, who chipped the keeper while at full pace, resulting in a finish any premiership striker would have been proud of. The game continued in this way and could have ended up with both sides scoring 10 goals each if it wasn't for the gallant efforts of Jesse, Arthur and the defending crew. Sadly, Radford pulled a goal back just before the end, giving a fair draw result. This was an epic game, enjoyed by all those both playing watching. Well played to the whole team: Arthur, Sihan, Jesse, Freddie V , Dylan, Charlie A, Mack, Sam B, Mason, Freddie T.

## Football Crazy!

On a wet and windy Monday morning, our year 3 / 4 boys and girls took part in a football tournament at Kingsley School playing fields. Ten teams played an exhausting ten games each; Milverton successfully won 7, drew 1 and lost 1, which meant that the final game decided the overall winners. The pouring rain didn't dampen their spirits; Milverton played with determination and were placed in fourth position overall - only 3 points behind the top team.

Thank you to Mrs Evans and Mr Walker, our Sports Apprentice, for braving the elements and refusing to let the weather beat the team's spirit!

Congratulations to the team players (Jude, Zach A, Myles, Harry, Zach B, Will, Camilla, Heidi, Lola, Angus, Molly, Claudia, Jake, James and Jonah) who played brilliantly through some very challenging matches.

## A Thank you from Mrs Belmega

Just a quick note to say thank you to all of the fabulous year 6 children who left in July this year and their wonderfully generous families. Through their leavers' celebrations, they managed to raise a whopping £230 to spend on the year 5/6 pupils of the future.

Mr Geddes, Mrs Jackson, Mrs Smith and myself are now busy thinking of the best way to spend our Amazon vouchers. Thank you again to all families who contributed and also to the coordinating mums: Leonie, Moria, Liz, Angela, Gemma and Shuchita.

### The final frontier

Year 5/6 had a great trip to the National Space Centre in Leicester. As well as spending time exploring all of the exhibitions about planets, technology and life in space, we watched the 'We Are Stars' show, demonstrating how we are all actually made from stars! As usual, a huge thank you to the parent volunteers who came along to help; we couldn't do it without you!

### Row, Row, Row your boat

The Milverton rowing team took part in an intense competition on Thursday the 18th of October. It was really exciting because the board showed the rowing boats and everyone could see the race happening. It was very exciting. Finding out that our boys are girls came second made us all really proud, and a fantastic last leg by Scarlett and brilliant effort by Jessie made the races really close. The boys team was made up of Freddie, Dylan, Jesse and Joe. The girls team was made up of Limoni, Mia, Eve and Scarlett. We all really enjoyed the event, it was an amazing experience and it made it special to know it was Mrs Evans favourite competition. Thank you to Mrs Evans for such a fun experience.

## Our school vision and aims

### Where the Journey Begins

#### A journey ...

... that prepares children to find success in whatever they choose to do.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... through a memorable curriculum to develop confident, creative and curious minds.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that empowers children to explore and become free-thinking individuals.

... that inspires children to reach for new horizons.
