## WAM Performances!

A massive well done to all the children that took part in their WAM club performances this week, you were all superstars!

## Communication

At Milverton, we strongly believe that face-to-face or over the phone communication has far better outcomes for all, instead of using words, which sometimes get confused in emails.

Therefore, after half term, we will be adopting a new communication strategy. We ask that if parents would like to email class teachers, they send these to [admin2606@welearn365.com](mailto:admin2606@welearn365.com). These messages will then be forwarded to the teachers and you will either receive a phone call back within the following few days or the teacher may try to arrange an appointment with you.

If you have a query or situation that requires an immediate response, we ask that you ring into the school office or send your child with a note to pass to the teacher. I am, as always, available directly on [head2606@welearn365.com](mailto:head2606@welearn365.com), if you have been unable to resolve the issue with your child's class teacher.

This is a system we will trial for the next two years, reviewing suggestions and evaluations along the way.

We strongly believe that this approach will be better for all and thank you for your continued support in helping to improve our school.

## An enormous thank you to everyone who helped at the spooky disco!

The children had a great time, the costumes were amazing, a SUPER event - thank you to families, the FOMPS, Miss Wall, Mrs Shilton, Mrs Brand and Mrs Jeremiah!

## Parent Governor

We have a vacancy for a parent governor – could you be the active parent or carer with a strong sense of the Milverton-ness of Milverton, who could join us for the next four years?!

This vacancy has arisen because Kay Lawrie-Stiven, who has been a committed, questioning and supportive parent governor for some years (as well as a perceptive judge of the Milverton Speaks competition!), has reached the end of her four-year term, and decided not to stand for re-election as her children have now gone on to secondary school.

At Milverton we have six elected parent governors on the governing board – it is important to us that there is a strong parent voice in the support and challenge which we aim to bring to the school. If you would be interested in joining the governors, we would welcome your nomination, which should;

- be submitted to Mr Fisher by Friday 15 November, by email or letter.
- include about 100 words about the skills and experience you could bring to the governing board,
- include the name of another Milverton parent or carer who seconds your nomination.

If you would like more information about what the role of governor involves, do feel free to speak to one of the current parent governors (Alex Davidson, Liz Kay, Carol Barnes-Burrell, Hannah Stephenson, Zoe Morrissey, or Kay Lawrie-Stiven), or contact me at [robbins.c52@welearn365.com](mailto:robbins.c52@welearn365.com). In the event of more than one nomination being received, there will be an election open to all parents and carers at the school.

We look forward to hearing from you!  
Catherine Robbins Chair of Governors

## Emergency stay inside procedure

Every term we hold evacuation drills where we practise getting everyone out of the building in a swift and safe manner, following a set procedure of checking to make sure everyone knows what to do in an emergency situation.

Moving forwards, we will also need to practise what to do if there is a dangerous set of circumstances outside the building, so that in the case of emergency, everyone knows what to do and what their responsibilities are.

Next half term we will be practising this ‘staying inside’ drill. The children will hear a different alarm and we will be teaching them what to do when they hear it.

Our aim is to relay a message to the children of what to do when there is something dangerous happening outside, in the same way we evacuate when something dangerous is happening inside. Thank you for your continued support.

## Our school vision and aims

Where the Journey Begins

A journey ...

... that prepares children to find success in whatever they choose to do.

... full of challenge and exciting experiences that develop resilience, strength and determination.

... that guides children to celebrate individuality, to appreciate differences and to respect others.

... that empowers children to explore and become free-thinking individuals.

... as part of a nurturing, caring community that encourages children to enjoy life and love learning.

... through a memorable curriculum to develop confident, creative and curious minds.

... that allows children to mature into empathetic people caring for themselves, for others and for the world around them.

... that inspires children to reach for new horizons.
