Power Hour Begins!

One of the longstanding features of the Milverton Curriculum is the Friday afternoon Key Stage 2 activity session. This session allows children to sample a different activity each half term and be taught by different members of staff across the year. The activities mainly have a PE focus with a few other super activities built in. Children will get a choice of two activities each half term and the chance to try something new. This years activities are as follows:

- Squash or Tennis
- Orienteering or Rugby
- Dance yourself dizzy or Netball
- Running / Table Tennis or Gardening
- Eco Rangers or Yoga
- Blog Squad or Indoor Athletics

I really enjoy Power Hour and am really looking forward to working with my new group! Don't forget to ask how your child enjoyed their Power Hour!

Ancient Greece

This week, the children in years 5&6 have been learning about the key events that took place during the Ancient Greek era. They used their amazing collaboration skills to reenact these events through dramatic freeze frames; can you guess which events are shown in the pictures?

Girls Football

Are you in year 4 or 5 and interested in playing for a girls football team? Leamington Lions are looking for a few more girls to join the under 10 team. Training is [6-7.30pm](#) every Wednesday with matches on Saturday. If you would like to know more, please talk to Daisy or Lexie in year 5. Please see poster in notices.

Fiona in Uganda

Fiona Henshaw is travelling to Uganda again, to help the school she visited last year. She is hoping the kind parents of Milverton will again be able to help. We all wish her good luck on her travels!

Firstly, she will be holding a cake sale next Friday, 29th September, afterschool to try and raise funds for a TV for the school.

Secondly, would any children like to correspond with children in Uganda again? Children can write a letters and hand them to Fiona next Friday after school at the cake sale.

Lastly, she is hoping a few parents may want to help the school raise funds for their school trip. The children will only go on one trip in their entire time at primary school . The cost of this trip is £10 per pupil and there are 50 pupils in the year group that travel. Please pass kind donations to Fiona next Friday.

Donations can be made at: <https://mydonate.bt.com/fundraisers/study-trip>

Rabbit Problem

A big thank you to everyone who helped on our rabbit problem day at the school field last Friday. The children had a great time introducing their topic for this half term. They did rabbit hopping, balancing carrots, parachute games, a treasure hunt and collecting carrots game. It sounded like a super fun day! Thank you to all the parents who came to help ensure the children had a great time!
