School Fund

Each year families are invited to pay a donation to the School Fund. This fund is used to enrich the curriculum across the year for all age groups and includes workshops and exciting visitors. It is also used to reduce the charges on many trips. The suggested amount is £10 per family per term, but we are grateful for any donations and are fortunate to receive donations greater than that amount.

Some of the activities funded by these contributions are:

- Robot day
- Drone day
- Dinosaur man
- Extreme Explorer visitor
- Butterflies in Reception
- Supplement school trips

The donation is made through the parent pay website; I hope you will be able to help.

Class Assembly

Every class will complete a class assembly this year. These will be held at 9am on a Friday morning in conjunction with our normal celebration assembly. These will focus on the current learning of the children in the class. They may take many different forms but are always a real treat for parents to enjoy. Here are the dates for the different classes this academic year.

Friday 9th November	Elm
Friday 30th November	Pear
Friday 14th December	Ash
Friday 1st February	Cherry
Friday 15th February	Chestnut
Friday 8th March	Oak
Friday 22nd March	Maple
Friday 29th March	Apple
Friday 3rd May	Willow
Friday 17th May	Pine
Friday 7th June	Hazel

I do hope you will be able to join us.

Please help!

Mrs Jeremiah has requested any used donations from parents for:

- **swimming costumes for both boys and girls**
- **spare towels**
- **sports shoes smaller than a size 1**

This will help to give everyone the opportunity to take part in activity sessions during the week.

Thank you for your continued support.

Marle Hall meeting for Parents
Monday 8th October 6pm

Cross Country

Well done to all of the year 6 children that took part in the first cross country event at Southam College on Saturday. All of the children had a great race and showed excellent team spirit with the boys' team finishing 3rd overall and the girls' team coming second. Our top 20 finishers were Izzy (4th place), Imogen (12th), Sam B (3rd) and Mack (4th). Brilliant running everyone!

Football

The Milverton footballers kicked off their season on Tuesday evening against a well coached Budbrooke side. Milverton bossed the entire game applying constant pressure to the Budbrooke defence. The Milverton forward line was led by Mason and supported by his attacking minded midfield of Harry and Mack. Freddie and Sam were the speed and guile in the Milverton side as they majestically rampaged forward at every opportunity.

Jessie, Freddie V and Joe looked solid at the back for the majority of the game. The deadlock was broken with a ferocious drive by Sam from the edge of the box, rocketing into the top corner. Sadly, just before the final whistle the Budbrooke side broke and managed to drive the ball across the goal which bobbed into the net. A heartbreaking end to a game that Milverton dominated. Well done to Arthur in goal, who was fantastic and to Charlie, Tristan and Will who all made excellent contributions in the second half. Well done team and we move onto the next challenge.

Biathlon

A team of six boys and six girls from Milverton took part in the first school sport event this year at Warwick Junior School. The Biathlon event proved both challenging and enjoyable as the Milverton team were joined by 40 other schools in the area on a beautiful sunny Wednesday morning.

The pupils took part in a 400m run followed by a length in the pool. Results are yet to be shared but we are confident we placed in the top ten. Congratulations to Limoni, Scarlett, Connie, Mia, Hermione and Izzy G. Sam, Frankie, Freddie T, Freddie V, Jesse and Toby. A great start to our sporting season.

Senses Detectives

Our year one and two children were treated to a very exciting day of science investigation yesterday. Children were tasked with being senses detectives and solving the problem of which colour bear belonged to 'Ella'. They had to follow the clues given to find out which bear was the correct one. They had to complete a number of practical activities using their senses to try and solve the problem. The children were all given their instructions and given clipboards to collate their results. They had a great time using their senses to solve the mystery. A super day with lots of practical investigations. Well done to the team for organising such a super way to learn about the senses!

Make Milverton Magnificent

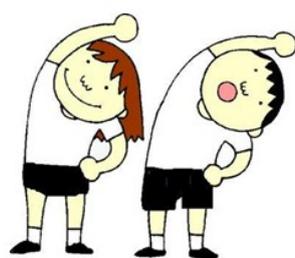

We have some targeted areas of children's behaviour and were hoping for your support in these. Please can you remind children about keeping the school tidy, waiting for others to come through a door and using good table manners. Please can you also help your child to have the correct PE kit in school and to wear appropriate clothing without make up and nail varnish.

Help to make Milverton Magnificent!

Follow the school dress code;
Sensible clothing, no jewellery, make up or nail varnish

Have the right PE Kit
