Fri 22nd Dec	Last Day of Aut term
Mon 25th Dec—Fri 5th Jan Christmas Break	
Mon 8th Jan Teacher Day School Closed	

Drone Days

We had an amazing two days earlier this week where the school was invaded by drones. Children used these mini helicopters in a number of coding challenges to develop their computing skills.

Using ipads, children had to set commands to control the drones, flying towards different targets. This really brought coding to life with a clear practical use that was great fun at the same time. This gave us a great memorable reference point for children to help further explain coding in different situations.

The children certainly enjoyed themselves and learnt some new coding skills at the same time.

Thank you to Mr Geddes for organising the two days. These days were paid for by the kind donations into the school fund. Thank you!

Part-Time Jobs

We are looking for a lunchtime supervisor 6.25 hours per week.

We are looking for a new member for our site team to clean after school. 10 Hours per week.

Please ask at office for more details

Milver-Music

Super Job here by George and Thomas, rocking out this morning in their guitar lesson!

In Assemblies this week we have been listening to; Bob Marley - 'Three little birds'

Milver-Sports - Cross Country and Rowing

On Saturday, strong team of runners took part in the first race of the Warwickshire Cross Country League at Southam College. The children gave it their all, with three children making the top 20 - Dan Wilks came second in the boys' race and, for the girls, Sophie came 4th and Millie 18th. The girls' team also came 3rd overall. Well done to all of the runners!

Well done to Izzy, Iman, Ellie, Elle, Sophie, Jasmine, Alexa, Millie, Evie, Alice, Dan, Douglas, Isaac, Matty, Jimmy and Elliot

On Monday, eight superstar athletes from year 6 took part in the CWSSP Indoor rowing competition at Champion School.

After a tough training session on Friday by coach Mrs Evans on the school benches, the two girls' and boys' teams gritted their teeth and rowed individual races and a team relay.

The thrill of racing on the indoor rowers was evident and the event proved exhilarating and incredibly close on points.

Milverton boys came 2nd to St Margaret's and Milverton girls came 2nd to Telford. There were 17 schools competing, so to row home in second place was no mean feat!

The teams should be congratulated on their sheer determination and strength – a special congratulations, to Izzy Orme who was the fastest individual girl rower – rowing 330 metres in 1minute 30 seconds and Archie Thompson who was the second fastest boy, rowing 337metres in 1minute 30 seconds.

Well done to girls team – Izzy Orme, Sophie Cooper, Elle Horton and Evie Macleod.
Boys' team – Archie Thompson, Dan Wilks, Alastair Clifford and Doug Bray

Good luck to the football team who play against Budbrooke Primary after school today!

Safeguarding

Please ensure your child is wearing a helmet when travelling using a scooter or a bike.

Having had a child at my previous school be involved in a road traffic accident while not wearing a helmet. This particular issue is a must for me. He was ok after a lengthy stay in hospital, but we strive to reduce the risk of this happening.

Please, please ensure your child is wearing a helmet as accidents do happen!

Calling all Gardeners!

We are looking for some green-fingered volunteers (or just those who enjoy getting muddy) who would enjoy offering a little time to help rejuvenate our garden and pond area in school. It is somewhat overgrown, and could really do with a new lease of life and some creative ideas for how we can take it forward (on a limited budget!). If you would be interested in offering your thoughts, ideas, or a little bit of weeding / cutting back / planting / landscaping, please get in touch with Mr Geddes – Geddes.a@welearn365.com

Thank you!

969 MILES IN 9 DAYS

Now we all like a challenge and I have been known to take on some pretty crazy ones for charity, but next year will see Tina Strath and I take on a REAL challenge. We are taking part in the Deloitte Ride Across Britain and have been lucky to secure charity places for causes very close to our hearts. Tina is riding for the MS Society and I am continuing my fundraising for Macmillan. We will be riding from Lands End to John O'Groats cycling over 100 miles a day to complete the ride in just 9 days.

We have printed out the routes we will be taking each day and placed them in the Junior Block windows for the children and yourselves to see, for each £1 you help us raise we will cross a mile off our journey. Our fundraising starts today with a cake sale after school and hopefully we can cross a few miles off our daily route with the money raised.

Thanks so much, Sarah and Tina.

Congratulations to our 'Star Learners' this week

YAMAHA MUSIC POINT Warwickshire Music

Using a specific philosophy and approach, Yamaha teachers are fully trained to deliver the Yamaha courses in a specific way.

This helps maintain a consistent teaching level across the world, focusing on a detailed and varied group lesson.

All courses are accredited by an examining board (RSL awards), this allows the students to gain UCAS points through their graded exams.

This unique focus takes students from a beginner level to a professional working musician.

You will learn

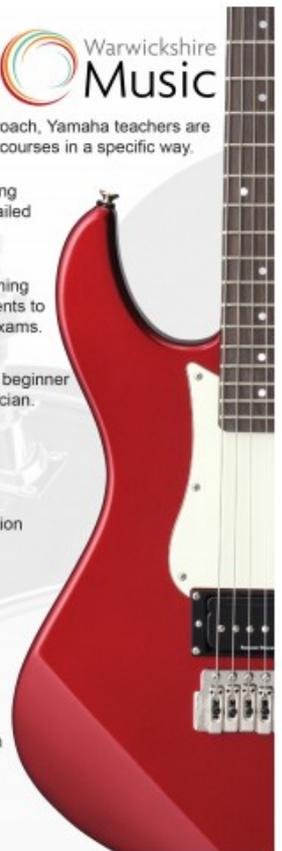

- How to play
- Technique
- Music Theory
- Read, write and understand notation
- Band skills
- Commercial songs

You will use and have access to

- Professional Yamaha equipment
- A professionally trained teacher
- An accredited music syllabus

Register your interest today and receive a FREE taster lesson this September.
