20<sup>th</sup> January 2020

Dear Parents,

As part of our geography project this term, we have arranged a trip to **Coombe Country Park, Coventry** on **Tuesday 3<sup>rd</sup> March**.

The children will be visiting Coombe Country Park to partake in a 'river study' workshop where they will investigate the river on site through a variety of activities. Activities will include measuring the depth and width, testing the flow rate and sampling the fresh water invertebrate life that can be found with the park. In addition the children will have the opportunity to complete the orienteering course by reading orienteering maps and finding control points.

We will be travelling by coach, leaving school at **9.15am** and returning by **3.20pm**. **Your child will need to bring a packed lunch, drinks, wellington boots, sensible footwear for orienteering and a waterproof coat.**

The total cost of this trip is **£15.50 per child**.

Payment for this trip should be made using the ParentPay website ([www.parentpay.com](http://www.parentpay.com)) If you have any difficulty making this payment please contact the school office. Payment by ParentPay will also be taken as consent for your child to go on the visit so you do not need to return the slip below.

We will need adult helpers for the day, please note you must have an up-to-date DBS check. Please indicate below if you would like to offer to help.

We are really looking forward to taking the children on this visit and feel that through these practical activities, pupils will be able to learn and gain knowledge about a local river system and its features and apply their map reading skills to an established course in the park.

Yours sincerely,

A Geddes G Smith D Belmega E Jackson

**Please return your slip or make payment by Friday 14th February**
